

Employee Spotlight: Margie Pauley

This month we would like to introduce you to Margie Pauley. Margie recently joined the company in May as our Bookkeeper. Before working at BHA, she worked for a CPA firm in Billings, Montana in the Controller Service Department.

“I enjoy working at BHA because I am assigned a multitude of accounting tasks to keep me engaged,” Margie commented.

She became a firearm owner for personal protection against imminent danger and to exercise her Second Amendment rights. Her first firearm was a Smith & Wesson Model 1006, 10mm.

Margie’s favorite BHA firearm is the AR500 Pistol with a 10” barrel because it is a compact firearm that is easy to field strip and reassemble.

“You can never have too much firepower to extinguish a threat,” said Margie about the AR500 Pistol.

When she is not working at BHA, Margie enjoys cooking, shooting, hiking, and off-roading, and most importantly, she enjoys the tranquility of nature.
