

Big Bore Holiday Gift Guide

The holiday season is here, and it's time to celebrate the big bore enthusiast in your life (or yourself)! Whether you're shopping for a seasoned hunter, a tactical professional, or someone who simply appreciates finely crafted firearms, [Big Horn Armory](#) has the perfect gifts to make this season unforgettable. We've curated a holiday gift guide that pairs some of our best-selling products with complementary gear to ensure your loved one is ready for any adventure.

For the Big Bore AR Enthusiast

AR500 NEXT GEN Complete Upper Assembly or AR500 NEXT GEN Pistol

Transform any AR platform into a big bore powerhouse with our AR500 NEXT GEN products. Convert your AR10 lower into the ultimate AR500 rifle with Big Horn Armory's [AR500 NEXT GEN Complete Upper Assembly](#). Featuring a non-proprietary DPMS-style upper, it includes an 18" barrel, adjustable gas block, M-Lok hand guard, and more. Ready to go with a 5-round magazine.

The [AR500 NEXT GEN Pistol](#) is a large frame AR chambered in 500 Auto Max. This cartridge in combination with our AR500 Pistol puts an unparalleled amount of power into a pleasant shooting, rapid-firing, exceptionally compact firearm. This combination of size, maneuverability, and energy on target make the AR500 Pistol easily accessible and ready to handle almost any situation.

Designed for precision and performance, these options bring unparalleled stopping power to the AR world.

Pair it with:

- **Rhodesian Sling for ARs by Andy's Leather:** Crafted in North Carolina, this durable and ergonomic [sling](#) ensures comfort during extended-range days or field operations.
- **500 Auto Max Ammunition:** Stock up on factory-loaded rounds from trusted brands like [Buffalo Bore](#), [Steinel Ammunition](#), [Underwood Ammunition](#), and [Defiant Munitions](#).

For the Adventurer Tackling Rugged Terrain

Model 89 Take Down

The compact and versatile [Model 89 Take Down](#) lever-action rifle chambered in 500 S&W Magnum is ideal for hunters, guides, or adventurers navigating tough terrain. Its takedown design ensures easy storage and transport without compromising accuracy or power. A masterpiece of American craftsmanship, it's the ultimate tool for those who demand reliability in the wild.

Pair it with:

- **Cape Buffalo Hide Butt Cuff:** Add a touch of elegance and functionality with this [premium leather accessory](#) capable of carrying five extra rounds.
- **Scabbard for Lever Guns:** Protect the Model 89 Take Down while on horseback, ATV, or any rugged expedition with this [ballistic cloth lever gun scabbard](#).

For the Tactical Operator

Model 89 White Lightning

Engineered for tactical applications, the [White Lightning](#) chambered in 500 S&W Magnum offers unmatched firepower and precision in a sleek, modern design. Whether for home defense or professional use, this lever-action rifle delivers.

Pair it with:

- **Rhodesian Sling for Lever Guns by Andy's Leather:** Made with bridle leather and solid brass hardware, this [two-point sling](#) acts as both shooting support and a carry strap.

For the Traditionalist

Model 89

The rifle that started it all. With its classic design and exceptional craftsmanship, the [Model 89 chambered in 500 S&W Magnum](#) continues the rich legacy of American firearms design and development and remains a staple for hunters, collectors, and shooting enthusiasts. Providing

a powerful advantage afield, the Model 89 honors the long tradition of great American sporting rifles.

Pair it with:

- **Chestnut Leather Butt Cuff:** A timeless accessory featuring [hand-stitched chestnut leather](#) that complements the traditional aesthetic.

Bonus Stocking Stuffers

Looking for a small but thoughtful gift? Consider adding a [BHA Branded Hat](#) or [T-Shirt](#) to your cart. Perfect for range days or casual outings.
