

Big Horn Armory Holiday Gift Guide 2025

It's that time of year again — the lights are twinkling, the snow is falling, and you're probably staring at your gift list, wondering what to get the firearm enthusiast who seems to have everything. This holiday season, skip the ordinary and give something that truly stands apart — American-made craftsmanship, power, and quality from [Big Horn Armory](#).

From big-bore [tactical rifles](#) to packable [takedown models](#) and [custom builds](#), this year's From the Vault Holiday Gift Guide has something for every kind of shooter.

For the Big-Bore Tactical Shooter: AR500 NEXT GEN

If there's someone on your list who lives for the range and loves tactical innovation, the AR500 NEXT GEN [Rifle](#) or [Pistol](#) will stop them in their tracks. Built on a familiar AR platform and chambered in the powerhouse .500 Auto Max, this rifle blends modern design with the

unmistakable punch of Big Horn Armory engineering.

With rugged dependability and unmatched firepower, the AR500 NEXT GEN makes the perfect gift for those who want the biggest bore in a modern semi-auto package.

For the AR500 Owner: Accessories They'll Actually Use

If your favorite shooter already owns an AR500 NEXT GEN, don't worry — there are still plenty of ways to upgrade their setup. From extra [magazines](#) to [durable Rhodesian slings](#), these accessories are the perfect way to personalize their rifle and keep them ready for the range or the field.

These make great stocking stuffers or practical add-ons that any AR500 owner will appreciate.

For the Outdoor Adventurer: The Take Down Model

For those who live for the backcountry — hunters, hikers, or travelers who want serious power in a portable package — the [Take Down Model 89](#) is the ultimate companion. It breaks down quickly for easy transport and reassembles in seconds when the time comes to take the shot.

Built tough for rugged terrain but compact enough to stow in a pack, the Take Down Model is ideal for adventurers who never compromise on capability.

For the Tactical Traditionalist: The Model 89 Tactical Series

For those who love the history and feel of a lever-action rifle but crave modern

performance, the [Model 89 Tactical Series](#) bridges that gap beautifully. Outfitted with updated sights, rails, and finishes, this rifle merges timeless design with today's tactical sensibilities.

It's a perfect choice for anyone who wants the best of both worlds — heritage craftsmanship and contemporary precision.

For the Custom Creator: Build Their Dream Rifle

Some shooters know exactly what they want — and for them, nothing beats the opportunity to design their own. The [Custom Series](#) lets you or your recipient build a personalized [Model 89](#) or [Model 90](#) from the ground up. From wood selection to barrel length and finish, every detail is tailored to create a one-of-a-kind masterpiece.

If you're looking for a truly memorable gift, this is the way to go.
